Terms & Conditions

The bus application should be completed, and we request you to only return back the original agreement. (NO COPIES)

- Our goal is to provide a route with the best interest of all students, i.e. timings, routing & convenience. The route is finalized by the bus supervisor & cannot be changed or altered based on request from parents. The bus supervisor will make sure to update the route continuously based on new or drop out students keeping the current students schedule unchanged.
- The Bus Company shall provide transportation service to all students who wish to use the service, subject to a minimum of 12 children opting for bus service on a route.
- The Bus Assistant may return the child back to the school incase there was no adult available to receive the child. We will not drop a child if there are no adult/guardian/parents to collect the student. It then becomes the parent's responsibility to collect the child from school premises.
- Students should arrive at their bus stop five (5) minutes before the bus is scheduled to arrive. Changing road and traffic conditions make it impossible for the bus to arrive at the same time every day.
- The Parent/Guardian acknowledges and agrees that the student must comply with the School Bus Safety Rules and School Bus Protocol while being transported to and from school.
- To avoid penalizing other students who are on time, the bus driver will not wait for any child who is late beyond the designated pick up time; the driver will leave no later than 03 minutes after the agreed pickup time.
- The bus company has the right to alter routes, move students from one route to another, or change the designated pick up time after giving due notice of less than one week to affected students.
- Neither the bus company nor the school will be responsible of the loss of any items left on the bus. All items are responsibility of the child.
- Please note that the bus assistant will not be allowed to leave the bus except in emergencies. Under no circumstance will the conductor escort a student from the bus to the front door of the student's home. A parent or appointed guardian (**in writing**) must escort the student from the bus to the front door of the student's home.
- **In case of change of residence, provision of transport service will be subject to the availability of seats on established routes & should be inform by writing at least 2 weeks before to the concern supervisors. We cannot guarantee the provision of this instance.**
- Parents wishing to withdraw their child from school bus must put their request in writing to the bus supervisor. We require a 30-days written notice; in case the parents fail to do so they will then be charged for an additional month i.e. if the child withdraws in mid-November, the refund will be for the month of December only.
- Please be informed that in order to reserve a seat for your child, we require three post-dated cheques and it shall be addressed to "**Busco Passengers Transport & Buses Rental**" cheques addressed to school will not be accepted.
- In case the parents fail to provide the 03 post-dated cheques, the seat is not confirmed and therefore will be released to the next child without any notification. The seat then is subject to availability. The fees are payable in full for each installment, irrespective of any school or other holidays.
- Parents will receive a **maximum of 03 reminders** for overdue payments, after that Busco reserve the right to withdraw your child's place from the bus and discontinue the service. If bus privileges are suspended, the student must arrange his own transportation to and from school. Additional referrals may result in removal from the bus for the remainder of the school year.
- Please note that if a cheque is returned by the bank for any reason, an AED100/- administration fee will be applied and charged to the parent. Bus Company will not accept responsibility for any returned cheques.
- Transportation service fees are payable in three (03) installments:
 1. 1st cheque due on 01/09/2020. (September, October, November & December 2020)
 2. 2nd cheque due on 01/01/2021. (January, February & March 2021)
 3. 3rd cheque due on 01/04/2021. (April, May & June 2021)

This transportation agreement will not be processed unless it is signed and submitted with the transportation payment cheques. Please read carefully the Terms & Conditions.
