Addition Regrouping

Addition with regrouping is tricky to do.

So here's a little rhyme to help you!

Put your **tens** up high,

and your **ones** down low...

Add them all together, and you're ready to go!

$$\begin{array}{r|l} 1 & \\ 4 & 5 \\ + 1 & 8 \\ \hline 6 & 3 \end{array}$$

(Note: In the original image, the '1' in the tens column is circled in green, and the '3' in the ones column is circled in blue. Below the main equation are two smaller equations: $\begin{array}{r} 1 \\ 4 \\ + 1 \\ \hline 6 \end{array}$ and $\begin{array}{r} 5 \\ 8 \\ + 8 \\ \hline 13 \end{array}$.)
