

# BLPS Grade 3 Coming Attractions...

**SUPER STARS with Mr. Ervin**

**WEEKS OF OCT. 24TH THRU NOV. 4TH**

## **Welcome back, Super Stars!**

I hope you enjoyed your much needed week vacation. I hope you were able to relax and recuperate in order to score big down this final stretch of the semester!

October has been jam packed with exciting school wide events!

We've had a PINK Out Day to celebrate breast cancer awareness.

We've also had RED Day to bring attention to dyslexia in our school community. And lastly, we completed our Fall MAP assessment. After such a busy month, we deserved a relaxing Fall break.

Coming up, students will set their SMART goals using their Fall benchmark data. Additionally, parents and I will confer to discuss the beginning of the year assessment results and student progress as well. So parents, please be on alert for a reminder to sign up for a parent-teacher conference appointment in November.

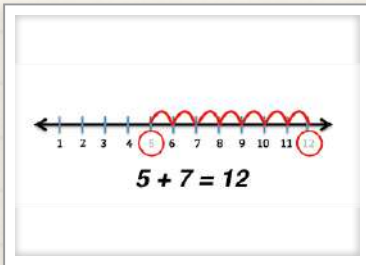

SUPER STARS, remember that October's character traits are Courage & Creativity. So I'll be looking for the students who demonstrate those qualities everyday. You want to make sure that you are showing Courage & Creativity daily so that you have the chance to be nominated for Grade 3 October SUPER STAR STUDENT OF THE MONTH!

Thank you parents for supporting our SUPER STARS at home with their homework and e-learning. Please continue to encourage students to READ DAILY for at least 30 minutes and practice their MATH work on Prodigy for at least 30 minutes.

Everything with Excellence & Purpose,

Mr. Ervin

# ACADEMIC FOCUS & LEARNING GOALS
